

Everything you need in one solution

HYDRA Complete Commerce Management is a comprehensive solution for your business, delivered as a hosted application. With HYDRA there is no large up-front investment, no time consuming development effort, and no long-term commitment.

► HYDRA CCM Includes

- Easy to use Point of Sale
- Turn-Key Ecommerce Website
- Inventory Management
- Automated Fulfillment/Shipping
- Integrated Accounting
- Powerful Reporting
- Customer & Dealer Management
- eBay Channel Manager
- Customer Driven Product Design

Getting started with HYDRA is simple – just import your current inventory and launch your sales. HYDRA removes manual work processing orders and streamlines delivery. HYDRA lets you know when you need to restock and lets you easily track the success of your business.

If you have questions or need any additional information, please feel free to contact our Sales Department at (208) 818-6161 or via e-mail at info@threegate.com
